START WITH TRUTH

[Ephesians 6:10-17](#)

Welcome to worship this weekend at Concord. The weather may not be warm and pleasant, but join us for worship with a warm heart. I appreciate the faithfulness of so many people. You are an encouragement to me. As vaccinations and immunities spread, our in-person numbers grow. We greatly appreciate the many people who worship with us online. It is a new demographic for us and I pray you are being blessed.

In the battle between darkness and light, we must start with truth. The first piece of armor for any Christian soldier is the belt of truth. "Gird your loins with truth." The position of truth is key to winning the battle.

The devil is a liar and he attacks truth. He has been doing that for eons. The battle for truth is so evident in 2021. As a believer we must be truth-seekers and truthful.

I. Be Girded with Truth.

II. Be Guarded by Truth.

III. Be Guided in Truth.

Remember that truth does not change. It does not falter. It is always the high ground. Putting on truth is the first key to victory in the believer's life.

Solomon was right when he wrote, "Buy the truth and sell it not" (Proverbs 23:23). That is a good place to invest your resources.

Your Servant in Christ,
Bro. Monte
