A Man and His God

Genesis 18:17-19

It is an honor to be a father. It is a responsibility none of us can carry without the Lord's assistance. May God bless all the fathers of Concord with the passion and compassion that He has for us. May our children see Jesus in us.

This weekend I am preaching on "A Man and His God." Abraham is our example of a man who walked with God, was tested by God, and is known as a friend of God. God's testimony concerning Abraham was "for I know him." He knows us too.

- I. God's Covenant with Abraham
- II. God's Confidence in Abraham
- III. God's Confirmation of Abraham

May we walk with God in such a way that we have His seal of approval.

Your servant in Christ,
Bro. Monte
