

**Sermon Notes**  
**August 5 & 8, 2021**

**"Why We Need a Savior"**

*Genesis 3*

My sermon this weekend is from Genesis 3. This chapter addresses some of the most difficult questions we face.

Why is there suffering?

Why are there pandemics?

Why do we get old and die?

Why is there child abuse?

Why do bad things happen?

**I. The Abundant Consequences of Sin.**

Shame

Blame

Spiritual death

Physical death

Sickness

Violence

Conflict

Frustration

**II. The Super-Abounding Grace of God.**

*Romans 5:6-21*

By one man sin entered - By one man grace abounds.

By one man death - By one man life.

Where sin abounded, grace superabounds.

We are taken back to paradise because Jesus came.

Your Servant in Christ,

Bro. Monte
