Behold I Come Quickly

Revelation 22

Welcome to this weekend at Concord as we gather to worship. I continue my series “The Beginning and the End” and make a turn toward the book of Revelation. Three times in Revelation 22 Jesus said, “Behold I come quickly.” It is His promise from heaven.

We are living in perilous times. These are days of trouble all around us, but God has not left us without a promise. Jesus is coming again! I am considering these four things regarding the coming of the Lord.

I. Headlines

II. Timelines

III. Guideline

IV. Deadlines

I pray this message will be instructive as well as inspirational.

May God give you a refreshing weekend.

Your Servant in Christ,
Bro. Monte
