When Thanksgiving is Down in the Well

1 Chronicles 16:7-19

Our sermon title is “When Thanksgiving is Down in the Well.” I could give it a longer title – “When Thanksgiving is Down in the Well, Thanksgiving Will Come Up in the Bucket.” That statement is absolutely true.

- I. When Thanksgiving is in your well it will overflow.**
- II. When Thanksgiving is in your well it will overcome.**
- III. When Thanksgiving is in your well it will overshadow.**

I write with a heart full of thanksgiving. God has been incredibly good to me. Betty and I thank you for 30 wonderful years at Concord, but we also are thankful for God’s goodness in so many other things. Thanksgiving comes up by the bucketful.

Your Servant in Christ,
Bro. Monte
